What's New

Chiquita Canyon Landfill (CCL) held a “free disposal day” on Saturday, December 7, 2019, for residents of Val Verde and Castaic. The next upcoming free disposal day is Saturday, March 7, 2020. Each resident is allowed up to one-ton of disposal free of charge.

CCL is currently constructing Cell 6, which will be used for waste disposal beginning in early 2020.

The next meeting of the CCL Community Advisory Committee (CAC) will be held on January 21st.

Regulatory and Permitting Activities

During the 4th Quarter of 2019 (Q4; October through December), CCL continued coordination with regulatory agencies in support of necessary permits for ongoing expansion activities, including:

- California Department of Fish and Wildlife, in support of applications for Streambed Alteration Agreements under Section 1602 of the California Fish and Game Code for construction of Cell 8 and new entrance facilities
- Regional Water Quality Control Board, in support of application for Water Quality Certification under Section 401 of the Clean Water Act for construction of Cell 8 and new entrance facilities
- United States Army Corps of Engineers, in support of application for Nationwide Permit under Section 404 of the Clean Water Act for construction of Cell 8 and new entrance facilities

Hotline and Emergency Log

In Q4, CCL received 1 isolated complaint for odor and no complaints for litter, noise, or fugitive dust. The complaint log for Q4 2020 is posted on CCL's website at:
