24-Hour Hotline/Emergency Number: (877) 263-2561

What's New

CCL held a “free dump day” on March 3rd, 2018, for residents of Val Verde and Castaic. The next regularly-scheduled “free dump day” will be held Saturday, June 2, 2018. Each resident is allowed up to one-ton of disposal free of charge.

Regulatory and Permitting Activities

CCL is preparing permit applications for landfilling activity related to Cell 6 (the first area within CCL where waste will be placed under CCL's new Conditional Use Permit). These permit applications include:

- Grading/Drainage Permit for review by Los Angeles County Department of Public Works
- Cell 6 Liner Construction Permit for review by the Los Angeles Regional Water Quality Control Board
- Nationwide Permit 18 Pre-Construction Notification under Section 404 of the Clean Water Act for review by the U.S. Army Corps of Engineers
- Water Quality Certification under Section 401 of the Clean Water Act for review by the Los Angeles Regional Water Quality Control Board
- Notification of Lake or Streambed Alteration under Section 1602 of the California Fish and Game Code for review by the California Department of Fish and Wildlife

Hotline and Emergency Log

In Q1 2018, CCL received no complaints for litter, noise, or fugitive dust. However, CCL did receive 2 complaints related to odor in Q1. Neither of these complaints resulted in a Notice of Violation by the South Coast Air Quality Management District or any other agency. Neither odor complaint was attributed to landfill operation, and neither required corrective action to avoid a reoccurrence.

The complete complaint log for Q1 2018 is posted on CCL's website at:

<http://chiquitacanyon.com/our-community/complaint-resolution/>

Summary of Progress and/or Annual Reports

During Q1 2018, CCL worked on preparation of their 2017 Annual Compliance Report, which is due on July 1 and will be available to the public at that time.
