What's New

Chiquita Canyon Landfill (CCL) held a "free disposal day" on June 2, 2018, for residents of Val Verde and Castaic. The next regularly-scheduled "free disposal day" will be held Saturday, September 8, 2018. Each resident is allowed up to one-ton of disposal free of charge.

Regulatory and Permitting Activities

During the 2nd Quarter of 2018 (Q2; April through June), CCL submitted permit applications for landfilling activity related to Cell 6 (the first area within CCL where waste will be placed under CCL's new Conditional Use Permit). These permit applications include:

- Grading/Drainage Permit for review by Los Angeles County Department of Public Works
- Cell 6 Liner Construction Permit for review by the Los Angeles Regional Water Quality Control Board
- Nationwide Permit 18 Pre-Construction Notification under Section 404 of the Clean Water Act for review by the U.S. Army Corps of Engineers
- Water Quality Certification under Section 401 of the Clean Water Act for review by the Los Angeles Regional Water Quality Control Board
- Notification of Lake or Streambed Alteration under Section 1602 of the California Fish and Game Code for review by the California Department of Fish and Wildlife

In June, CalRecycle approved CCL's Joint Technical Document, prepared to support a revised Solid Waste Facilities Permit (SWFP). CCL expects to receive a SWFP by September 2018.

Hotline and Emergency Log

In Q2, CCL received no complaints for litter, noise, or fugitive dust. However, CCL did receive 1 complaint related to odor, which was investigated. The complaint was not attributed to landfill operation, did not require corrective action, and did not result in a Notice of Violation by the South Coast Air Quality Management District or any other agency.

The complete complaint log for Q2 2018 is posted on CCL's website at:

Summary of Progress and/or Annual Reports

At the end of Q1, CCL submitted a draft 2017 Annual Compliance Report to the County for review and comment. During Q2 2018, CCL received comments on the Annual Report from County agencies and prepared a Final 2017 Annual Compliance Report. The Final 2017 Annual Compliance Report has been

provided for public review at the Stevenson Ranch Library and the Castaic Library and posted on CCL's website at:
