7/27/2020	Monday	8:10am 9:31pm	Lincoln Resident	Text	Odor	Drove n/a	Mike 8:15am did not investigate pm odor	Received a text from a Lincoln Resident: "Just love starting out my week smelling nasty rotten trash smell coming into my fucking house! Started smelling about 20 minutes ago how do you turn off my swamp cooler and close all my windows I arrived in Val Verde about 8:15am, I smelled a distinct landfill odor.	Verified all odor control was operating, did not detect on perimeter road, located a spot where possible odors could be coming from, wet and re-tracked slope.
7/28/2020	Tuesday	8:02am	Lincoln Resident	Text	Odor	Drove	Mike 8:07am	Received a text from a Lincoln Resident: "It is so bad this morning it's making me sick almost smells like a gas too." I smelled a very strong trash/gas odor, I brought the gas technician to help me verify the odor as it was not a normal landfill odor.	The gas technician and myself canvassed the site and located odors coming out of a slope, extra cover soil was brought to the area, spread and tracked in which eliminated the odor, a new gas line will be placed there next week.
7/29/2020	Wednesday	8:10am	Lincoln Resident	Text	Odor	Drove	Mike 8:15am	Received a text from a Lincoln Resident: "Teally really bad again today just like yesterday it started about 8 o'clock I was outside at 7 and it was fine. I verified the odor, when I arrived it was not as strong as the day before but it was still very noticeable.	Drove site and walked slopes, identified an area where odors were coming from, stripped green waste and re-covered slope, odors were eliminated. Also found another area that needed to be re-covered and eliminated odors there as well.
