10/23/2018	Tuesday	10:43am	Darcy Stinson	***Email***	*Odor*	***Drove/Walked***	***Cruz- 11:10am***	Re: The Chiquita canyon landfill Has made the town of Val Verde smell like a toxic wasteland once again.Thank you to all of you that don't give a $hit. Some of you must be in it for the money. My house and most of Val Verde smells like a Wasteland. Why is there no oversight of the landfill. The CUP states that they will have a VVCAC But yet the County is failing to make it. I would like to know the answer to this question. Darcy Arrived on Lincoln ave at 11:10am... Drove Lincoln ave with the windows down, no odor. Parked on Harding ave and walked, no odor, drove back on Harding, made a left back onto Lincoln and drove out of Val Verde by 11:25, no odor. Returned to Chiquita, drove the perimeter of the site with the windows down, no odor. Review of the wind direction from the anemometer located on the west side of the site showed the direction of the wind coming from the southwest for an hour before the complaint, at the time of complaint and hours after the complaint at an average speed of three plus MPH.
